Certificazioni e proprietà dei materiali

/ Certifications and material properties / Certifications et propriétés des matériaux / Zertifizierungen und Materialeigenschaften / Сертификаты и патенты материалов / Certificaciones y propiedades de los materiales / Certificaten en eigenschappen van de materialen

Certificato per pannelli in melaminico e MDF a garanzia di utilizzo di pannelli con emissioni di formaldeide inferiori al minimo imposto dalla norma europea UNI EN13896.

Certificate for panels of melamine and MDF to guarantee the use of panels with lower formaldehyde emissions than the minimum imposed by the European UNI EN13896.

Certificat pour les panneaux de mélamine et MDF pour garantir l'utilisation de panneaux avec des émissions de formaldéhyde inférieure au minimum imposé par la norme UNI EN 13896 européenne.

Zertifikat für Platten aus Melamin und MDF, um die Verwendung von Platten mit niedrigeren Formaldehydemissionen als die, die von der europäischen UNI EN 13896 Norm auferlegt werden, zu garantieren.

Сертификат для меламиновых панелей и панелей из МДФ с гарантией эмиссии формальдегидов ниже необходимого минимума по европейскому стандарту UNI EN13896.

Certificado para paneles de melamina y MDF para garantizar el uso de paneles con emisiones de formaldehído mas bajas que el mínimo impuesto por la norma europea UNI EN 13896.

Certificaat voor de panelen in melamine en MDF ter garantie van het gebruik van panelen met een formaldehyde-uitstoot die lager liggen dan de door de Europese norm UNI EN13896 opgelegde minima.

Certificato di trattamento del pannello con resine idrorepellenti.

Certificate of treatment of the panel with water repellent resins. Certificat de traitement du panneau avec des résines hydrofuges. Bescheinigung über die Behandlung der Platte mit wasserabweisenden Harzen.

Сертификат обработки поверхностей водоотталкивающими смолами.

Certificado de tratamiento del panel con resinas hidrófugas.

Certificaat van behandeling van het paneel met waterafstotende harsen.

Anti-impronta

Anti-fingerprint / Anti-empreintes / Anti-Fingerabdruck

Ecologico

Ecological / Écologique / Umweltfreundlich

Экологичный / Ecológico / Ecologisch

Resistente all'urto

Impact-resistant / Résistant aux impacts / Stoßfest

Ударопрочный / Resistente a los impactos / Stootbestendig

Pur essendo molto fedeli nei colori, le immagini rappresentate sono da considerarsi esempi indicativi e non vincolanti delle finiture proposte.

En dépit d'être très fidèle dans les couleurs, les images présentées doivent être considérées comme des exemples non contraignants des finitions proposées.

Despite being very faithful in the colors, the presented images are to be considered as non-binding examples of the proposed finishes.

Die dargestellten Bilder sind, obwohl sie in den Farben sehr treu sind, als unverbindliche Beispiele für die vorgeschlagenen Oberflächen zu betrachten.

Строго контролируя соответствие стандартным оттенкам цветов, просим учитывать, что представленные изображения могут отличаться от показанных на образцах, и поэтому не могут являться определяющими при выборе отделки.

A pesar de ser muy fiel en los colores, las imágenes presentadas deben ser consideradas como ejemplos no vinculantes de los acabados propuestos.

Ondanks het feit dat de kleuren zo getrouw mogelijk weergegeven worden, dienen de foto's beschouwd te worden als puur indicatief en kunnen deze niet als bindend beschouwd worden voor de voorgestelde oplossingen.
